

AMENDMENTS TO THE DRAWINGS

The four replacement sheets of drawings include Figs. 1 – 6. These sheets, which contain formalized versions of the previously submitted drawings, are intended to replace the original four drawing sheets, also including Figs. 1 – 6.

REMARKS

The Examiner has rejected claims 1 through 21 under 35 U.S.C. Section 112, Paragraph 2, as indefinite. The Applicant gratefully acknowledges the Examiner's determination that claims 1 through 21 would be allowable if rewritten or amended and the determination that claims 22 through 29 are allowed.

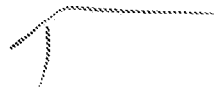

Accordingly, claims 1 and 17 have been amended to delete the term "essentially". Claim 5 has been amended to correct the typographical error in line 2, replacing "fist" with "first". Claim 6 has been amended to delete the term "arm", since "lever arm" lacks antecedent basis, while "said lever" is supported. With these amendments, applicant believes that each of claims 1 through 21 is allowable and respectfully requests such action.

In addition, claim 23 has been amended to correct two typographical errors: (1) deleting a duplicative "to" and (2) correcting the dependency of the claim from independent claim 22 rather than claim 21.
